PROFESSIONAL SUMMARY

Analytical Software Engineer (4+ years experience) transitioning into **Data Analytics**. Recently completed an intensive 8-month Data Science specialization, solving **2,000+ technical challenges** in Python and SQL. Expert in translating complex business requirements into actionable insights, combining a background in software optimization with advanced statistical modeling and Tableau dashboarding.

TECHNICAL SKILLS

- **Data Analytics:**

- Exploratory Data Analysis (EDA),
- Statistical Modeling,
- Data Preprocessing,
- Hypothesis Testing ,
- Data Validation & Data Quality ,
- Reporting & Dashboard Development,
- Data Import/Export,
- Business Process Documentation,
- Stakeholder Communication

- **Languages & Tools:** Python (Pandas, NumPy, Matplotlib, Statsmodels),
GoogleSQL, Tableau, Git.

- **Engineering:** HTML5/CSS3, JavaScript, Agile/Scrum, Red Hat Linux (RHCE/RHCSA).

- **AI Tools:** Github Copilot

- **Microsoft :** Excel (Pivot Tables, Lookup Functions, Charts) ,Microsoft Word, PowerPoint

DATA ANALYTICS PROJECTS

Sales Performance & Trend Discovery | Python (Pandas, Seaborn)

- Engineered a data pipeline to clean 40,000+ rows of sales data, identifying a 12% spike in Q4 revenue through EDA.
- Developed a suite of visualizations (heatmaps, trend lines) to communicate key sales drivers to stakeholders.

Customer Behavior & Lifetime Value Analysis | SQL (BigQuery)

- Architected complex SQL queries (CTEs, Joins) to merge transaction data and segment customers using RFM logic.
- Identified the top 10% of high-value users responsible for 65% of revenue, leveraging Window Functions for churn analysis.

PROFESSIONAL EXPERIENCE

Data analyst Trainee | Learndatta Analytics Training Program | June 2025 – Feb 2026

- Completed intensive hand-on training in Data Analytics, Python, SQL, BigQuery and Tableau.
- Performed data cleaning, preprocessing, exploratory data analysis (EDA), and statistical analysis on real-world datasets.
- Developed interactive dashboards and visual reports using Tableau to communicate business insights.
- Created SQL queries for data extraction, transformation, and analysis.
- Worked on analytics projects involving customer behavior analysis, sales trends, and data visualization.
- Applied Python libraries including Pandas, NumPy, Matplotlib, and Statsmodels for data analysis and reporting.

Software Engineer | Zensar Technologies Ltd. | Nov 2016 – Oct 2020

- Developed responsive web applications, optimizing JavaScript logic to reduce page load times by 25%.
- Collaborated with cross-functional teams to translate business requirements into scalable software solutions.

Junior Software Engineer (Contract) | Cisco Systems Inc. | Apr 2015 – Nov 2016

- Delivered reusable UI components in an Agile environment; improved application usability through iterative debugging.

Technical Lead & Software Trainer | Seed Infotech, Pune, India | Aug 2014 - Apr 2015

- Trained IT professionals in software development, creating technical curricula for 500+ students.

Technical Lead & Software Trainer | Arrays Technosys, Pune, India | May 2010 - Apr 2014

- Trained IT professionals in software development, Delivered comprehensive training sessions to students.

Technical Lead & Software Trainer | Micron Infocom, Akola, India | Oct 2009 - Feb 2010

- Conducted computer literacy programs tailored for public school teachers, enhancing their digital skills and confidence.

Technical & Software Trainer | Amplify Mindware Pvt. Ltd., Pune, India | Aug 2007 - July 2009

- Successfully managed and guided up to 120 students during hands-on computer practical sessions, maintaining an organized and productive learning environment for entire Academic years of the curriculum of college of engineering students.

CERTIFICATIONS & EDUCATION

- **Professional Certificate in Data Science | Learndataa:** 8-month intensive | 2026
- **Red Hat Certified Engineer (RHCE) & System Administrator (RHCSA) | 2014**
- **Master of Science (M.Sc.) | Sant Gadge Baba Amravati University, Amravati | 2008**
- **Bachelor of Science (B.Sc.) | Sant Gadge Baba Amravati University, Amravati | 2004**
